Langheinrich collection available again and production secured

Dear Sir or Madam,

We, vestio TEXTILING GmbH, have acquired the naming rights to the traditional company Langheinrich.

Following the acquisition, the production of high-quality contract textiles will continue at the well-established factory in Uzbekistan. In this way, we ensure that we can continue to offer you the complete Langheinrich collection in the quality you have come to expect.

Langheinrich Vertriebs GmbH will be based in Greven in future. Langheinrich already has a sales office in Fulda. From there, you will continue to be supported by the team you know in order processing and sales. In addition, we have established a new warehouse for the Langheinrich range in Zell / Oberfranken, from where all deliveries will be dispatched promptly. The invoicing will henceforth be handled by vestio TEXTILING GmbH.

vestio TEXTILING GmbH is a specialist in high-quality household and home textiles and has many years of expertise in the contract sector. Together with the BSCI-certified production partner in Uzbekistan, we will continue to maintain Langheinrich's high standards and plan to further expand the product range.

After the turbulent months you have experienced recently, we want to offer you the reliability you expect from a supply partner once again. We therefore look forward to working with you in the future and are available to answer any questions you may have.

With kind regards,

Josef Brockmann
